

# PSA CROSS REFERENCE CHART 1:1

Rev. 00 - Feb. 01, 2017

## DISCLAIMER

The Special Springs Code identifies a cylinder with the same size and force of the automotive code indicated. Additional qualities and / or characteristics may differ.

Make sure the product meets the user needs before ordering it.

Special Springs disclaims any liability related to differences in the product identified, that are not size or force.

Special Springs disclaims any liability related to possible errors and wrong correspondences that may occur. This chart is released solely for comparative purposes.

The products and third-party trademarks identified are subject to the respective intellectual property rights regulations.

Il codice Special Springs identifica un cilindro con la stessa forza e dimensione del codice automotive indicato. Altre caratteristiche e qualità possono essere diverse e non corrispondere.

Assicurarsi che il prodotto soddisfi le esigenze dell'utilizzatore.

Special Springs declina ogni responsabilità per differenze sul prodotto diverse da forza e dimensioni.

Special Springs declina ogni responsabilità per possibili errori ed errate corrispondenze che potrebbero verificarsi.

Questa tabella comparativa è rilasciata esclusivamente a fini comparativi.

I prodotti e i marchi di terze parti sono soggetti ai rispettivi regolamenti e diritti di proprietà intellettuale.
